

## Junior Digital Designer

We're looking for a Junior Digital Designer to join us at Anstey Wallpaper Company; the home of beautiful, quality wallcoverings (part of the iconic Sanderson Design Group PLC). As a Junior Digital Designer, you will assist in preparing digital designs to meet customer and production requirements.

With a proud history stretching back more than 100 years, Anstey Wallpaper Company has achieved an enviable reputation as one of the most versatile, professional and capable wallcovering printers in the world.

We cover the full spectrum of printing technologies, old and new alike with machines including Surface & Surfex, Flexographic, Gravure, Rotary/Gravure Hybrid, Rotary Screen, Digital, Flat Screen, a Scattering Line, Converting machinery as well as Hand Block Printing.

### Responsibilities

- Amend artwork files using the CAD software to create files in a 'Print Ready' state
- When required, technically review files before commencing any work
- Proof work using the proofing machines within the Digital Print Department
- Artwork and colour designs for customers remotely and on-site
- Follow all File and Colour Management procedures for all aspects of work including possible transfer / rec-colouring of designs for new machinery
- Respect confidentiality when working with customers
- Work to a Critical Path / timelines / deadlines

### Measures of success

- Ensuring a smooth transition from the Digital studio to Digital Production
- Confidently using the CAD software to create 'Print Ready' files
- Confidently follow instruction and briefs
- Communicate with the whole Digital team and Production (when required)
- Considered interpretation of a customer's individual requirements

### Skills & Experience

- Design qualification at degree level and/or equivalent (preferred)
- An understanding of Set & Repeat design technicalities
- Excellent level of AVA and/or Photoshop CAD software
- Excellent communication skills (written & verbal)
- Experience working in the Wallpaper or fabric industry (preferred)
- An elevated level of CAD experience
- An exceptional understanding of colour
- The ability to design and interpret work based on outlined briefs

## About us

Sanderson Design Group is an international luxury interior furnishings company that designs, manufactures and markets wallpapers and fabrics together with a wide range of ancillary interior products.

In 2020, we brought our portfolio of brands home to Sanderson Design Group, evoking the combined longevity and prodigious creative history of our brands. Sanderson Design Group describes the ebullience of our past endeavours. It sketches the outline of our future. A collective of 7 quintessentially British luxury interior brands and 2 manufacturing brands, at Sanderson Design Group we are Sanderson, Archive, Morris & Co., Zoffany, Harlequin, Clarke & Clarke, Scion, Anstey Wallpaper Company and Standfast & Barracks.

Our purpose is "To bring the Beautiful into People's Homes and Lives". This has defined and shaped our brands since our very earliest days. The oldest brand in our arsenal, from where we derive the namesake of our group, began life in 1860, as an importer of fine French wallpapers to London. Arthur Sanderson & Sons Ltd played a pivotal role in defining English interior decoration tastes and its early success led to displaying designs at London's finest showroom, at Berners Street. Around this time in 1924, Arthur Sanderson & Sons Ltd were awarded The Royal Warrant, becoming "purveyors of wallpaper and paint" to the court of George V.

We recognise that each one of our brands contributes a unique chapter to our story. It is why we represent the full spectrum of British interior design, catering from cutting-edge sleek modern styles, to the hearty warmth of traditional forms. Our decision to rebrand as Sanderson Design Group in 2020 is our way of paying homage to our rich history, as well as marking our path towards a new future. As custodians of over 160 years of design experience, we are proud to Bring the Beautiful into People's Homes and Lives. We are Sanderson Design Group.
