

Electrical Technician (Shift)

We have an exciting opportunity for an Electrical Technician to join us at our world-class printing site, Standfast & Barracks, based in Lancaster (part of the icon Sanderson Design Group plc). As the Electrical Technician, you will be responsible for attaining targets related to quality, people, cost, machines, and any resources required to manufacture our products.

We're passionate about every aspect of fabric production; from conception and design, right through to manufacturing, taking pride in our ethos which combines the traditional with the innovative. Our heritage is quintessentially British, and we are proud to produce some of the finest quality prints for many design-led home furnishing and apparel brands.

Responsibilities

Factory Maintenance

- Respond to breakdowns during shifts to maximise machinery uptime.
- Be able to understand electrical wiring diagrams.
- Carry out required preventative maintenance tasks as scheduled.
- Assist in new machinery installations and improvements on existing systems.
- Work well within a small maintenance team.
- Take initiative in finding solutions when working on your own.
- Assist other members of the team regarding safety and repairs.
- Responsible for the safe operation of electrical distribution services throughout the site.
- Ensure all services, i.e. lights, pumps, etc, are kept running for the shift duration requirements and energy usage is kept to a minimum.
- Technician must hold a relevant qualification suitable for the position, i.e. City & Guilds, NVQ, in an Electrical engineering discipline
- Attend training courses as provided by the company suitable to your position.

Skills & Experience

- Ability to accurately record & report information
- A positive attitude & 'can do' approach
- Good interpersonal, written, verbal & presentation skills
- Achievement of appropriate Engineering qualification and skill level
- 17th / 18th Edition IEE

To apply, please send your CV to jobs@sandersondesigngroup.com

About us

Sanderson Design Group is an international luxury interior furnishings company that designs, manufactures and markets wallpapers and fabrics together with a wide range of ancillary interior products.

In 2020, we brought our portfolio of brands home to Sanderson Design Group, evoking the combined longevity and prodigious creative history of our brands. Sanderson Design Group describes the ebullience of our past endeavours. It sketches the outline of our future. A collective

of 7 quintessentially British luxury interior brands and 2 manufacturing brands, at Sanderson Design Group we are Sanderson, Archive, Morris & Co., Zoffany, Harlequin, Clarke & Clarke, Scion, Anstey Wallpaper Company and Standfast & Barracks.

Our purpose is "To bring the Beautiful into People's Homes and Lives". This has defined and shaped our brands since our very earliest days. The oldest brand in our arsenal, from where we derive the namesake of our group, began life in 1860, as an importer of fine French wallpapers to London. Arthur Sanderson & Sons Ltd played a pivotal role in defining English interior decoration tastes and its early success led to displaying designs at London's finest showroom, at Berners Street. Around this time in 1924, Arthur Sanderson & Sons Ltd were awarded The Royal Warrant, becoming "purveyors of wallpaper and paint" to the court of George V.

We recognise that each one of our brands contributes a unique chapter to our story. It is why we represent the full spectrum of British interior design, catering from cutting-edge sleek modern styles, to the hearty warmth of traditional forms. Our decision to rebrand as Sanderson Design Group in 2020 is our way of paying homage to our rich history, as well as marking our path towards a new future. As custodians of over 160 years of design experience, we are proud to Bring the Beautiful into People's Homes and Lives. We are Sanderson Design Group.
