

## **Printing Machine Operator**

We're looking for a Printing Machine Operator to join us here at Anstey Wallpaper Company; the home of beautiful, quality wallcoverings (part of the iconic Sanderson Design Group PLC). As Printing Machine Operator, you will be responsible for running all aspects of the E5 Printing machine to the required performance targets and quality including all aspects of the embossing and scattering processes. The role will ensure the E5 machine performance achieves the required set up standards and optimum run speeds whilst delivering the customers required quality levels. If required, the role will also need to produce Wind, Wrap and Pack work.

With a proud history stretching back more than 100 years, Anstey Wallpaper Company has achieved an enviable reputation as one of the most versatile, professional and capable wallcovering printers in the world.

We cover the full spectrum of printing technologies, old and new alike, with machines including Surface & Surfex, Flexographic, Gravure, Rotary/Gravure Hybrid, Rotary Screen, Digital, Flat Screen, a Scattering Line, Converting machinery as well as Hand Block Printing.

### **Responsibilities**

#### **PROCESS OPTIMISATION**

- Work closely with Designers to achieve the optimum print mark
- Ensure all jobs are set up and ran in the most efficient way
- Minimise adhesive, beads and base waste using improved process controls and set up reel usage
- Carry out the cleaning of ancillary equipment when required
- Support customer service levels, ensure that the priority list/week number order is followed
- Emboss substrates to the A4 settings. On new jobs, refer to standard setting information
- Ensure steel/bowl changes are carried out safely and according to the SOPS
- Ensure jobs are produced as per the job sheet specification

#### **QUALITY**

- Accountable for quality of product produced, ensuring this is in line with the company processes and procedures
- Support the business to monitor, measure and improve quality opportunities
- Accurate recording of data, including log sheets, standard roll information etc.
- Work in conjunction with the technical department to achieve optimum trial results

#### **H&S**

- Ensure all H&S processes are adhered to
- H&S improvement opportunities identified and appropriately followed up
- Always maintain a safe working environment
- Report any damaged, broken, or unsafe equipment

- Ensure all equipment is used and stored in a responsible and safe manner
- Ensure the correct handling of materials at times

#### LEAN MANUFACTURING

- Ensure maintenance schedules are always followed
- Ensure maintenance of screens, steels and backing bowls are carried
- Support maintenance within the department, including identifying maintenance issues
- Ensure all products meets required specifications and quality checks
- Proactively identify improvement opportunities within the department

#### Measures of Success

- Safe working environment and good housekeeping
- Waste level reductions and improvements in quality
- Efficiency running of the machine
- Creating a team working environment
- Machine planned to optimise efficiency and customer requirements

#### Skills & Experience

- IOSH Working Safely
- BIT level 2 (or equivalent)
- Ability to work as part of a team
- Motivated to work without supervision
- Excellent problem solver
- Flexible approach
- Understanding of manufacturing process and a production environment
- Strive to improve and embrace change
- Paint background – preferred but not essential
- Good attention to detail
- Lean manufacturing understanding (preferred but not essential)

#### Work Pattern: Monday-Thursday 7:30am-4:30pm

To apply, please send your CV to [jobs@sandersondesigngroup.com](mailto:jobs@sandersondesigngroup.com)

#### About us

Sanderson Design Group is an international luxury interior furnishings company that designs, manufactures and markets wallpapers and fabrics together with a wide range of ancillary interior products.

In 2020, we brought our portfolio of brands home to Sanderson Design Group, evoking the combined longevity and prodigious creative history of our brands. Sanderson Design Group describes the ebullience of our past endeavours. It sketches the outline of our future. A collective

of quintessentially British luxury interior brands and 2 manufacturing brands, at Sanderson Design Group we are Sanderson, Morris & Co., Zoffany, Harlequin, Clarke & Clarke, Scion, Anstey Wallpaper Company and Standfast & Barracks.

Our purpose is "To bring the Beautiful into People's Homes and Lives". This has defined and shaped our brands since our very earliest days. The oldest brand in our arsenal, from where we derive the namesake of our group, began life in 1860, as an importer of fine French wallpapers to London. Arthur Sanderson & Sons Ltd played a pivotal role in defining English interior decoration tastes and its early success led to displaying designs at London's finest showroom, at Berners Street. Around this time in 1924, Arthur Sanderson & Sons Ltd were awarded The Royal Warrant, becoming "purveyors of wallpaper and paint" to the court of George V.

We recognise that each one of our brands contributes a unique chapter to our story. It is why we represent the full spectrum of British interior design, catering from cutting-edge sleek modern styles, to the hearty warmth of traditional forms. Our decision to rebrand as Sanderson Design Group in 2020 is our way of paying homage to our rich history, as well as marking our path towards a new future. As custodians of over 160 years of design experience, we are proud to Bring the Beautiful into People's Homes and Lives. We are Sanderson Design Group.
